

FACT provides:

- 24 hour crisis intervention and support
- Voluntary, home and community based treatment services
- Clinical assessment and determination of individual and family needs
- Assistance in developing individualized, youth and family-centered plans
- Integrated mental health treatment
- Substance use treatment (Kalamazoo County only)
- Parenting education, information and support
- Advocacy, referral, and support within community and educational systems
- Coordination of psychiatric services
- A variety of clinical interventions including evidence based models
- Family support services focused on community integration

Family & Children Services is a private, nonprofit, nonsectarian, human service organization begun in 1903. Its mission has remained constant "...To support, strengthen and preserve the safety, well being and dignity of children, individuals and families".

The Agency receives funding through contracts with Community Mental Health programs and the Michigan Department of Health and Human Services, insurance reimbursements, fees for service and contributions. We are accredited by the Council on Accreditation of Services for Families and Children. The Agency is licensed by the State of Michigan as a Child Placing Agency, Child Caring Institution (Children's Therapeutic Group Home), and Substance Abuse Program.

FACT Family And Community Treatment

FACT

Family And Community Treatment

A comprehensive, home-based treatment service partnering with youth and families to strengthen their abilities and create lasting change.

FACT is an intensive home-based service requested by families with multiple service needs. The resources and skills of a multi-disciplinary team are available to each youth and family.

FACT Services are youth and family-centered and build on the youth and family strengths to increase personal and community supports, promote healthy family functioning, support and preserve families and reduce the need for out-of-home placement.

FACT provides case management services for the entire family, offering flexible scheduling and a variety of treatment services including: family and individual therapy, couples counseling, substance use treatment (*Kalamazoo County only*), parenting support, group treatment and play therapy.

Using a wrap-around approach, FACT works with the entire family to coordinate and monitor services and supports within community, educational, legal, and medical systems by:

- Using a strength-based, needs-driven approach
- Encouraging youth and family choice throughout service involvement
- Helping youth and families identify and build relationships with natural supports
- Providing advocacy, community-based referrals, and support
- Partnering with youth and families to create and sustain community involvement

To learn more about FACT services or to make a referral, contact:
