

Family & Children Services provides additional support to its clients through a variety of fund raising initiatives. Gifts from friends of the Agency through the **HANDLE WITH CARE Annual Campaign** provide Agency clients with basic, critical support that cannot be met through any other funding source in our communities. Restricted funds support individual programs and initiatives within the Agency.

The Circle of Hope Endowment and other endowments help provide for the long-term financial stability of the Agency.

Visionary Club: Deferred and planned gifts

Holiday Giving Program: Individuals, schools, community groups and corporate donors matched individually with client families to provide holiday meals and gifts. Gifts can also be made to the Agency's Holiday Store.

"Pack a Child for Camp": Providing camp scholarship opportunities for children being served by the Agency.

Year-Round Pantry: Individual, community, and corporate in-kind gifts for clients served by the Agency including toys, camping supplies, back-to-school needs, blankets and bedding, baby and toddler essentials and personal care items.

Child Welfare Services

Family Preservation & Parenting Support Programs

These referral-based services are focused on creating healthy family relationships and giving parents the skills and understanding they need to raise their children in a nurturing environment. **Family Preservation Programs** are designed to keep families together, when there is a high risk of children being removed from the home. **Parenting Skills Programs** are offered to parents who are struggling with parenting in their home and parents whose children have been removed from the home.

Foster Care and Adoption Services

Family & Children Services is committed to preserving families and providing children with safe, nurturing homes. Our **Foster Care** program supports both goals – providing those nurturing homes for children, while we work toward family reunification. When reunification is not possible, our **Foster Care to Adoption** services help children find a loving, permanent home.

Become a Foster Parent

Ideal foster parents and families come in many shapes and sizes – single and married, with birth children and without, younger and older, and of every race, creed, gender, sexual orientation, income level, and educational level. If you are considering becoming a foster parent, we would love to talk with you about the joys of fostering and all the ways our program will support you.
