## A Gift for Tomorrow

LEAVE A LEGACY

When Caroline Julia Bartlett Crane established the Women's Civic Improvement League in 1903—today known as Family & Children Services—she was probably not thinking about leaving a legacy. She was no doubt thinking about how to help her community be a great place to live for all of its residents.

Today we celebrate the legacy she has created and the impact it has had on so many lives. We also want to take time to consider how we, each and every one of us, can do the same.

What we do today can make a powerful and lasting difference tomorrow.

### Planned Giving

Planned giving can create a legacy for you, too, that will change the future for many.

Planned giving is an investment you plan today to ensure a better tomorrow for our communities' most vulnerable children and families. It means allocating a tax-deductible gift now that will be given at a later date:

- in a charitable bequest in a living trust or will;
- by designating Family & Children Services as a beneficiary in a retirement plan, annuity, pooled income funds, or in a life insurance policy;
- by making a memorial or tribute gift;
- with gifts of securities or property;
- or by creating an endowment fund.

Talk to your attorney when making or updating your will or living trust about how to include Family & Children Services. Your attorney can advise you on the correct language to include in your choice of bequest.
